

Supporting terrorism disturbs good neighborliness

Since its establishment less than seven decades ago, Pakistan has always been attempting to Afghanistan and India.

Once, Pakistan took up the chair issue with India that as a result of bloody wars, between these two countries interference in our domestic issues overtly and covertly and provoking insurgencies.

Pakistan that has often been ruled by military leaders who grabbed power through coup d' etats has survived in shambles interference in others internal affairs. Pakistani governments and especially military rulers have divorced their people under different pretense and sent terrorists to neighbors of Afghanistan and India as mercenaries.

We can claim that due to over 40 years interference of Pakistan in Afghanistan domestic issues, was terror, destruction of schools, hospitals, plundering of ancient sites have been

giving our territorial integrity. The Pakistani military rulers and mercenaries in secret vice always try to disturb Afghanistan trade with south Asia countries and monopolize market of the low quality products. Due to this reasons she has always made efforts to create problems in its sea ports and provoking insurgencies.

EU, U.S. need to revisit Durand Line to end Pak terror policy

Brussels (Belgium), May 13 (ANI): Descending the Afghanistan-Pakistan region as the breeding ground for international terrorism, European Parliament (EP) Vice President Roza Caramocki has said there is a need for the Europe-

While Pakistan maintains that it had killed 50 soldiers and injured more than 100, Afghanistan contended that it had lost 100. This incident was in retaliation to an incident in which 10 persons were killed and 45 injured in an attack on the Pakistani military base in the region.

Ensuring transparency facing mafias' reactions, Official

Officials of Oil and Gas Enterprise said they were making effort to ensure transparency in the administration.

Addressing a news conference, Chief Executive Officer (CEO) of the Oil and Gas Enterprise, Wajid Tamim said since three weeks, different teams were working to specify salaries of the enterprise's employees and new regulations in the fields of oil and gas.

He added we had some problems in terms of revenues and our employees had been able to easily build high-story buildings with a 5000 sq sq meters per month, but we have created the ways to prevent such a move, through which we could triple our revenues in 10%.

He said annual revenues of

the oil and gas enterprise have reached over billions, adding however over the last one and half a decade, the administration has not been active in it was expected.

He is worth mentioning that \$4.5 billion has invested in this enterprise.

"We are making effort to ensure transparency to our employees but we have always been facing with mafias' reactions," CEO Tamim went on to say.

This is while that since one week, the enterprise's employees have striked over what they claim to be unfair wages.

Afghanistan's chamber of commerce and industries said much effort needed to be made to control the quality of fuel

imported from Iran.

He said that last time of the chamber of commerce and industries, Shaukatullah Parvizi said The Kabul Times that unfortunately Afghanistan has long border with Pakistan which is not controllable.

Likewise, Afghanistan's oil and gas enterprise said many technical issues have already been sent to all parts of the country to control the 'mafias' quality Officials of the enterprise said the government of Afghanistan has asked other countries to avoid selling poor-quality fuels to Afghanistan.

CEO of Afghanistan Oil and Gas Enterprise Wajid Tamim announced on Sunday that 30 percent of Afghanistan's 'corrupted oil and gas' is
