

# War, insecurity cause increasing poverty, unemployment

Poverty and unemployment are becoming challenges for war and insecurity in Afghanistan. The House National Economy Commission said that these factors have even forced people to leave their homes.

Due to poverty and unemployment, people risk to increase and decrease in Afghanistan. The House National Economy Commission said that these factors have even forced people to leave their homes.

In an interview with the Radio Liberty, Deputy Chief of the House National Economy Commission Minister Shah Bahadur said, the government has not taken essential steps to handle these challenges as majority of Afghan people are in the quarters with their own challenges. Large number of children are suffering from malnourishment and a lot of families sleep with empty stomachs.

Minister Bahadur said, reflecting of foreign troops who had been spending multibillion dollars caused political instability and no confidence in domestic and foreign investors that paved the way for poverty and unemployment. Some political parties call for economic growth without planning in capital Kab-
