US hid an airstrike that killed 70 women, children in Syria in 2019: Report

The US military hid an airstrike in which it bombed a large crowd of women and children in Syria's Hama town, killing dozens, during the last days of the battle against ISIS in 2019, the New York Times reported on Sunday.

On March 18, 2019, an American F-16 strike jet dropped a 250-pound bomb on the crowd, which was gathered to bury the bodies of those who had been killed in a previous airstrike. The jet dropped a 2,000-pound bomb, from another killing zone in the area.

Delhi shuts schools as it mulls 'pollution lockdown'

Delhi's government has been promising for years to shut up schools during the winter months. The burning of agricultural waste in Delhi's surrounding areas is a major contributor to the city's pollution levels every winter.
