

## Palestinian medics on the front line fighting to save lives

Nitin, a medic, said that he had been hit by a bullet in the chest during the fighting. He was taken to a hospital in the West Bank, where he is now recovering. He said that the fighting was very intense and that he had seen many people killed. He said that he was very sad to see the people of the West Bank being killed and that he was very angry at the Israeli army. He said that he was very proud to be a medic and that he was very happy to be able to help the people of the West Bank. He said that he was very grateful to the people of the West Bank for their support and that he was very grateful to the people of the West Bank for their love and their care. He said that he was very grateful to the people of the West Bank for their help and that he was very grateful to the people of the West Bank for their love and their care. He said that he was very grateful to the people of the West Bank for their help and that he was very grateful to the people of the West Bank for their love and their care.

Sahag had been on the front line with his fellow Palestinian medics in the day his happened, fighting to save lives and rushing medical patients to hospitals.
